 18 work and noncertificated employees.
 19 (f) "Certificated employee" means a person:

A failure to reach an agreement on any matter of discussion shall not require the use of any part of the impasse procedure, as provided in section 13 of this chapter. Neither the obligation to bargain collectively nor to discuss any matter shall prevent any school employee from petitioning the school employer, the governing body, or the superintendent for a redress of the employee's grievances either individually or through the exclusive representative, nor shall either such obligation prevent the school employer or the superintendent from conferring with any citizen, taxpayer, student, school employee, or other person considering the operation of the schools and the school corporation.
